

Hello Clear Creek Middle and High School families,

Clear Creek Booster Club (CCBC) is a group of parents and community members who support Clear Creek High School and Clear Creek Middle School in various ways. **We not only support sports teams but all extracurricular clubs as well.** As you can see from the list below, our support most likely touches just about every student at some point throughout their time in middle school and high school. Please consider joining or making a donation to the CCBC. We are always looking for new members; this is a great way to stay involved with your child's school. Please take a minute to fill out a membership form and come to a meeting and get to know parents from throughout the county. Meetings are generally held the second Wednesday of the month at 6:00 p.m. in the CCHS Media Center. For specific dates and times, please check the CCHS website or district calendar. Membership does not obligate you to anything, but it does give you the opportunity to vote on the budget and where and how our funds are distributed.

CCBC has made contributions to all of the following clubs and activities:

- | | |
|------------------------|--|
| Senior Trip | Middle School 8 th Grade Trip |
| Homecoming | Prom |
| Music | Band |
| MS and HS Sports Teams | |

CCBC also supports various clubs allowing them to raise funds through our concession stand. Clubs sell items that are stocked through the CCBC and receive 60%-70% of the profits from items they sell. The following clubs for the classes of 2025-2028 have all taken advantage of this great opportunity:

- | | |
|------------------------------|------------------------|
| National Honor Society | Key Club |
| Interact | Robotics |
| Band | Choir |
| Yearbook | Eco School |
| Board Game Club | MS and HS Sports Teams |
| MS and HS Student Government | Boxing |

CCBC's main fundraiser is the Georgetown to Idaho Springs Half-Marathon (GTIS) which typically is the second Saturday of August. This year, August 10, 2024! Volunteers work throughout the year to organize, recruit sponsors, register runners and plan this event that can hosts thousands of runners each year. We are looking forward to our race this year and partnering with CCMRD to bring back our infamous end of race gathering with food and music, at the Idaho Springs Ball Fields.

Thank you for supporting the students of Clear Creek. We look forward to working with you this year!!!!

This past year the Booster club awarded \$20,000 in scholarships. Some of the things the Booster Club has helped with are: paid for student admission so our students could attend the playoff games, helped provide new weight room equipment for use by all students, funding for the logo on our new turf field, as well as a new picnic area. These expenditures are possible because of the GTIS half marathon. I want to thank all of you who have participated in the Georgetown to Idaho Springs half marathon over the years!
Please contact Pam Ginter at booster.club@ccsdre1.org with any questions.
